1 Organization Living spaces are grouped together. Bedrooms are grouped together (with master separated if desired). Circulation pathways and living spaces are well defined.	<input type="checkbox"/>	<input type="checkbox"/>	
2 Shape Room shapes and proportions are sensible. Check that any angles in the plan don't compromise the design.	<input type="checkbox"/>	<input type="checkbox"/>	
3 Entrances The entrances provide a welcoming space with space to remove coats (and maybe shoes) and adequate storage for coats, bags, mail, keys etc.	<input type="checkbox"/>	<input type="checkbox"/>	
4 Kitchen The kitchen is an efficient design with adequate storage. It should not have a circulation route going through it.	<input type="checkbox"/>	<input type="checkbox"/>	
5 Dining Dining areas are sensibly located in relation to the kitchen. There is a dedicated space for the dining table(s) with good light and enough space to come and go from the table.	<input type="checkbox"/>	<input type="checkbox"/>	
6 Living Living room has good light, a good focal point and sensible furniture arrangement.	<input type="checkbox"/>	<input type="checkbox"/>	
7 Bedrooms Bedrooms are situated in a quiet, private part of the home with good access to a bathroom. Storage is adequate and there is a sensible place to put the bed. Master suite space is logical.	<input type="checkbox"/>	<input type="checkbox"/>	
8 Bathrooms Bathrooms are located in a private part of the home within reach of the bedrooms. They have a good layout with adequate storage. The guest wc is accessible from the living spaces.	<input type="checkbox"/>	<input type="checkbox"/>	
9 Office / Study There is a room or space suitable for a home office / study with room for a desk.	<input type="checkbox"/>	<input type="checkbox"/>	
10 Laundry There is space for laundry appliances and to hang laundry to dry.	<input type="checkbox"/>	<input type="checkbox"/>	
11 Outdoor Living Outdoor living spaces take advantage of the sun/wind or are protected from the sun/wind as necessary. There is sufficient space for outdoor furniture.	<input type="checkbox"/>	<input type="checkbox"/>	
12 Garage and Parking There is adequate parking and parking spaces are connected to the house in a sensible manner.	<input type="checkbox"/>	<input type="checkbox"/>
